SAINT JOHN NEIGHBOURHOOD DEVELOPERS

Who Are We?

Neighbourhood Developers working in four priority neighbourhoods in Saint John.

How Are We Doing It?

Community outreach and direct work with residents

An active, accessible resource hub

Development of the Poverty Reduction Network (PRN)

Community needs assessments

This Will Lead To...

Residents feeling supported and empowered

Connecting residents with services

Strong partnerships among community-based organizations

Clear demonstration of collective impact

What Do We Do?

Connect residents to community resources

Focus on residents' social-emotional wellbeing

Build capacity for poverty reduction within organizations, networks, and residents

CARLETON COMMUNITY CENTRE

ONE — TOGETHER WE ARE ONE

PULSE — PEOPLE UNITED IN THE LOWER SOUTH END

Our job as Neighbourhood Developers is to be a resource referral source for residents and to assist with whatever challenges or issues you may be facing. We work with you on your journey to make sure you have access to services in the community and provide support during this process. Issues someone may come to us with can include goal setting, needing help filling out paperwork, finding local programs to meet basic needs, etc.
If there is anything we can work together on to achieve for you or your family do not hesitate to email or pop into one of our locations!

RESIDENT FEEDBACK

"It's natural for me to focus on all that I've lost and not notice what I've gained. What I'm trying to say is that I appreciate all you are doing for me; especially, just allowing me to express what I'm feeling." - Crescent Valley Resident

"It's great comfort to know that when I need a helping hand that you are a phone call away and that your door is always open to myself and the residents in the south end." -Lower South End Resident

"I apologize I have not been over to see you in a couple weeks, but I have not wanted to leave my bed since I moved into my new apartment. It is so comfortable and warm; I've never had a warm comfortable bed before. I'm so thankful for your help in finding me a safe place to live.". -Old North End Resident

"I think I lined up a job today and can likely donate vs take one day soon. Keep up the great work". – Lower West Side Resident

ALLEVIATING THE EFFECTS OF POVERTY AND EMPOWERING RESIDENTS OF SAINT JOHN'S PRIORITY NEIGHBOURHOODS
