#### Policy Statement:

The Community Foundation serving Greater Saint John (the Foundation) provides individual donors, family foundations, businesses and charitable organizations a number of ways to fulfill their philanthropic objectives while supporting the well-being of our community.

We believe that by strengthening the gifts, assets and capacity of individuals and groups, we strengthen our community. The Foundation specializes in building endowment funds, where the capital is not diminished, and uses the earnings from the funds to support the ever-changing needs and opportunities in our community.

To ensure that philanthropy merits the respect and trust of the general public, and that donors and prospective donors can have full confidence in the local charities and causes they are asked to support, we subscribe to a series of rights which our donors can expect.
